

OSA 3680-63  
12 July 1963

MEMORANDUM FOR: Chief, Materiel Division, OSA

SUBJECT : Engineering Change Proposal 6-23-A.

25X1A

25X1A

1. By request of the Communications Division, OSA, [redacted] has submitted the attached ECP 6-23-A for certain modifications to the System VI junction box which will increase the reliability of both System III and System VI during missions.

2. This ECP has been examined by the Communications Engineering Staff and is considered to be technically acceptable. It is requested that action be initiated to include this Change Proposal as part of the existing contract with STL. Additional information on these modifications may be obtained from [redacted]
